The SIR Foundation Board of Directors extends its deepest appreciation to each donor who contributed to SIR Foundation through the Annual Fund, Discovery Campaign or Gala. We recognize the individuals and companies below for their generosity and support of the specialty. Without their contributions, the foundation's initiatives would not be possible.

For more information on how to contribute, please visit sirfoundation.org/donate.

AS OF DECEMBER 2015

- **Discovery Campaign:**
  Five-year commitments made to support specific goals that SIR Foundation pursues to advance the future of IR

- **Annual Fund:**
  Donations given each year to support the operating costs of SIR Foundation, which are not covered by membership dues.

- **Pioneer Circle:**
  Donors who have given or pledged $1,000+ to the annual fund to provide sustained support of the Foundation’s programs that benefit IR practitioners and patients. Young Investigators (donors within five years of completion of training or fellowship) who have given $250 or more.

- **Gala Supporters:**
  Contributions made to the SIR Foundation by purchasing tickets, tables, live or silent auction items at the annual SIR Foundation Gala.

- **Corporate Ambassador Program (CAP):**
  Companies providing funding for SIR and SIR Foundation missions.
A Special Thanks to SIR Foundation’s Named Fund and Planned Gift Donors

SIR Foundation Named Funds
The following individuals have made significant gifts in support of SIR Foundation’s mission. We are honored to acknowledge the impact of their giving through establishment of an SIR Foundation Named Fund.

The Michael Edwards, MD, FSIR and Sherri Edwards Fund
The Edwards’ hope that their planned gift will someday create a scholarship fund for IR fellows. In this way they are enabling IR fellowship programs, of which they hope there will be a tremendous increase. The Edwards believe that whether you make a donation for generalized support of the foundation’s efforts or make a more focused gift such as theirs, your support is critical to IR’s future.

The Dr. and Mrs. W. C. Culp Named Fund for Medical Student Research
This Named Fund was established in November 2014 with a goal of supporting IR’s advancement through SIR Foundation student research programs to attract the best and brightest minds to IR research. Dr. Culp, an interventional radiologist at University of Arkansas for Medical Sciences, has long been involved with SIR Foundation, including visionary leadership in establishing the SIR Foundation Academic Transition Grant program. Through this Named Fund, Dr. and Mrs. Culp, longtime donors, find a vehicle to make a meaningful gift that will directly touch the lives of medical students and encourage them to become physician scientists – a vehicle for advancing the science and practice of IR, both today and for many years to come.

Planned Gift Donors
The following individuals have expressed visionary leadership and generosity by including SIR Foundation in their estate plans. By remembering SIR Foundation in their plans, these individuals help ensure our work will benefit IRs and their patients for generations to come.

Jonathan P. Alspaugh, MD
Michael Edwards, MD, FSIR and Sherri Edwards
Stephen T. Kee, MD, MS, MMM

As of December 31, 2015

SIR Foundation is a 501(c)3 charitable organization. All contributions are tax deductible to the extent of current IRS guidelines and are used for charitable purposes.

Although we take great care in compiling our list of donors, there is always the possibility of error. If we omitted your name or if your name is incorrect, we apologize and ask that you contact development@sirfoundation.org.
